Unless they submit a permit revision application we cannot modify the permit and they are in permit violation. However, I updated the table with a note and attached the revised table. Thanks.

Hironmoy – according to the CAA Section 114 response that Parkway provided, they currently have a 90 ton/hr shredder installed.

Subject: RE: Metal Shredders

As discussed in the meeting yesterday, I am attaching a scanned copy of the air permit issued to Parkway Iron and Metal, PI 31225, PCP970001 issued on 1/4/1996. The capacity of the shredder, as in the permit is 40,000 lb/hr (20 tons/hr) for 2,000 hrs/yr. Obviously, I made an error in converting the unit. I corrected the DEP Table which is also attached. Thanks.
